# A MAGICAL HOT AIR BALLOON RIDE

OUTDOOR &  
ADVENTURES

Discover the enchanting world of hot air balloons and the indescribable magic of flying.

The flight lasts for around an hour, giving you the chance to admire the landscape from an exclusive point of view. You will also witness the hot air balloon being set up: from a simple inanimate piece of material, it comes to life as it rises into the sky, becoming a balloon.

## Highlights

- ◆ An enchanting balloon will gently lift you from the ground and into the freedom of the air. It holds an enduring fascination, blending the spirit of adventure with the art of flying;
- ◆ Admire San Marino and the surrounding landscape from a unique viewpoint that only those in the air can enjoy, lulled by the wind, feeling the thrill of a fantastic hot air balloon flight;
- ◆ You will be told where the take-off site is, but not where you will land, which turns it into a great adventure. Every flight is unique, an unforgettable experience.

# FLIGHT OVER SAN MARINO

OUTDOOR &  
ADVENTURES

An unforgettable flight experience aboard an ultralight, in complete safety and maximum comfort.

## Highlights

- ◆ Before the flight, you will have a briefing with the instructor, during which you will study the flight maps, itinerary and weather conditions, and receive a technical explanation on the aircraft;
- ◆ Soar through the sky over the ancient Republic of San Marino, admiring the breathtaking views from a unique perspective;
- ◆ Take control of the aircraft, experiencing a mix of incredible emotions: euphoria, joy, excitement...let your dream of flying a plane come true.

# 70's RIDERS

Experience the thrill of riding an original 70's motorcycle...a journey back in time through beautiful medieval villages and impregnable fortresses, riding magnificent, completely restored vintage motorcycles.

## Highlights

- ◆ Climb into the saddle and be seduced by the "good vibrations" of models that have left an indelible mark on the history of motorcycling;
- ◆ A fleet of cult motorcycles, some of the undisputed stars of the 70's, have been restored to their original splendor to give today's motorcyclists a new high;
- ◆ Flying down winding roads and around bends, you'll discover disputed lands once ruled by the ancient Malatesta and Montefeltro families. Cruising through the countryside, just a few miles from the sea, you'll discover a landscape of rolling among sharp and prominent rocky spurs.

# MILITARY JET FLIGHT

OUTDOOR &  
ADVENTURES

A dream come true: fly on a real fighter jet.

## Highlights

- ◆ Every flight is unique: an expert instructor will carefully prepare you for the flight, talking you through everything before taking off together. The flight program is personalized, adapted to your requirements;
- ◆ MB-326 or Jet Provost? You choose! The MB-326 is an Italian-made airplane which has been splendidly restored. It's the MB-339's predecessor, used by the famous "Frecce Tricolori", the Italian Air Force's aerobatic demonstration team. The British jet trainer Jet Provost has the advantage of giving the passenger better visibility;
- ◆ You'll take on acrobatics like loopings, Immelmann turns, rolls, split-S, climbs, tail-chases, high-speed and low-altitude flights;
- ◆ Free cockpit video for guests of San Marino Outlet Experience.
