So much pasta is bound to bring the table to life: venture back in time to explore past folklore.

PIADINA COOKING CLASS: COOKERY SCHOOL

FOOD & WINE

A “sfoglina” from Romagna will share her tips and tricks on how to prepare a delicious thin flatbread, also known as piadina. Divided into teams, you will challenge each other to make a piadina, then stuff it with the most varied and creative fillings you can.

Highlights

- ◆ You will watch piadina preparation techniques as part of the cooking show by the “sfogline” - or chefs - from the Romagna region;
- ◆ You will learn preparation techniques by listening to stories and detailed and engaging explanations from the “sfogline”;
- ◆ With experts at hand, you will then create your own recipe to make the tastiest piadina.

Benefits

- ◆ Develop group and coordination skills;
- ◆ Time and resource management;
- ◆ Empathy, team work and ice breaker.

4-30

GO-KART GRAND PRIX

OUTDOOR &
ADVENTURES

Adrenaline junkies and motor sports lovers will relish driving one of the Adriatic Riviera's most famous circuits. A challenge down to the last second, this activity gives the group a taste of Formula 1.

Highlights

- ◆ The go kart circuit is 900 meters long with plenty of tight bends to ensure you have the most fun possible;
- ◆ You will have access to the Crono Racing System timing system, floodlights for night races, an electronic finish line, total recorded time, free practice, elevated grandstand and, of course, the final podium complete with sparkling wine;
- ◆ Put your reflexes, cold blood and rally driving fantasies to the test, in completely safe surroundings.

Benefits

- ◆ Build relationships between colleagues;
- ◆ Implement understanding of group management strategy, learning to get maximum results from collaboration and competition;
- ◆ Improve team planning and strategic management.

6-20

FULL SPEED AHEAD

OUTDOOR &
ADVENTURES

Compete with your colleagues in an exhilarating regatta. Running on pure adrenaline, you'll need to play your role and work together for everyone's benefit, challenging both yourself and the sea.

Highlights

- ◆ Set sail after a briefing with the skippers for your training at sea, where you will be taught the essential regatta maneuvers and techniques;
- ◆ Learning about the wind, sails and knots will trigger your competitive spirit at sea, as you're cradled by the waves;
- ◆ The route consists of two laps between two buoys perpendicular to the wind, after which you can also opt for an on-board lunch.

Benefits

- ◆ Strengthens the bond between colleagues, bolstering team spirit;
- ◆ Improves the cohesion of a new team by acting in sync;
- ◆ Promotes the management of the unexpected, showing how to adapt quickly to ever-changing scenarios.

NORDIC WALKING ON MONTE TITANO

OUTDOOR &
ADVENTURES

Nordic walking is an open-air activity which frees your mind from your daily responsibilities so you can enjoy an unforgettable natural experience.

Highlights

- ◆ Choose between two 8 km routes, surrounded by nature, accompanied by a certified instructor;
- ◆ Fine-tuning your efficiency with poles, carrying them or opting to use them properly;
- ◆ You will be taught about walking as a way to learn about life: building harmony between you and your surroundings;
- ◆ Chatting and spending time with your colleagues in a more powerful way, in a context which is completely unrelated to work.

Benefits

- ◆ Make everyday activities more efficient;
- ◆ Improve the ability to learn and accept changes;
- ◆ Train resilience and self-confidence.

ROMAN LEGIONARY FOR A DAY

ART &
CULTURE

Turn back time and retrace the steps of the 13th Legion through historically-themed activities and games created specifically for you and your team.

Highlights

- ◆ The 13th Twin Legion is a historic group which will transport you into the past through reenactment, using legionary gear, historical cooking methods and combat techniques;
- ◆ You will turn back the clock and journey into ancient Roman history, helping you to better discover the past;
- ◆ An authentic reenactment of daily life and a chance to learn military and strategic techniques of the 13th Legion.

Benefits

- ◆ Feel valued by the team thanks to your actions on the battlefield;
- ◆ Demonstrate empathy and build upon interpersonal relationships;
- ◆ Develop a sense of adventure and camaraderie with colleagues.

SAN MARINO ADVENTURE PARK

OUTDOOR &
ADVENTURES

Put your team's spirit of adventure to the test with an adrenaline-filled test: a military prison camp escape simulation.

Highlights

- ◆ 30 thrilling routes through the trees, from ground level up to over 30 meters, with Tibetan bridges, footbridge nets, cableways, tunnels and a whole host of other breathtaking sections;
- ◆ Amazing army assault courses immersed in the forest making you feel as if you're training for the marines;
- ◆ Italy's only Adrenaline Bike, with a 70-meter cycle path hanging 15 meters off the ground;
- ◆ 10-meter climbing walls with the CLIFFHANGER rock school which will challenge even the best athletes;
- ◆ 30-meter bungee jump and 280-meter cableway, Italy's longest treeline.

Benefits

- ◆ Reinforce and strengthen team relationships;
- ◆ Reignite team spirit;
- ◆ Show empathy and improve interpersonal relationships.

MOSAIC CIRCUS

An experience inspired by the opera “Music Circus” by the visionary composer John Cage. Have fun creating a group mosaic following the techniques of the secular school of Byzantine mosaics.

Highlights

- ◆ You will have an unforgettable experience in the beating heart of historic Ravenna, the Byzantine mosaic capital, which is home to eight UNESCO World Heritage sites;
- ◆ Every tile is unique, made with the effort and mastery of a mosaic technique which blends ancient with modern, using glass, marble, venetian glass paste, gold and murrine;
- ◆ You will learn the history and the techniques of Byzantine mosaics before working together on a group mosaic, using glass tiles of a variety of colors, shapes and sizes;
- ◆ At the end, you will have a multicolored mosaic panel to display in your business.

Benefits

- ◆ Reinforce and strengthen team relationships;
- ◆ Reawaken team spirit;
- ◆ Put sharing and altruism into practice.

SIGNATURE WINES

FOOD & WINE

A bottle of wine always holds stories and magic inside it. A workshop to discover the history and intrigue around wine production: from harvest and grape crushing with the feet, to the different stages of wine-making, to bottling and labeling.

Highlights

- ◆ Historic and technical insights will teach you about vine cultivation methods;
- ◆ Visiting the vines;
- ◆ You will learn about production processes and wine-tasting techniques.

Benefits

- ◆ An opportunity to share manual work with the team;
- ◆ Improve skills in adapting to a new job;
- ◆ Put teamwork into practice to achieve a common goal.

PEDALING BY BIKE... NO, BY E-BIKE

OUTDOOR &
ADVENTURES

Discover the historic Republic of San Marino through surprising E-Bike routes (assisted-pedal bicycle), and enjoy pedaling without fatigue. An expert guide will teach you about the nature and history of the places you visit, enriching the tour experience with information and anecdotes so you can experience every facet of San Marino.

Highlights

- ◆ Discover San Marino and its enchanting panoramas;
- ◆ Tips to improve your technique will help you face the more difficult sections of the ride without getting tired;
- ◆ You can combine exploring the region with visiting the castles and sampling the area's plethora of gastronomic delights.

Benefits

- ◆ Strengthen the feeling of belonging to the organization;
- ◆ Build relationships among colleagues;
- ◆ Work together to achieve a common goal.

YOUR JESI GOLDSMITH ART JEWELRY

ART &
CULTURE

A dream come true... Make your own jewelry under the supervision of expert goldsmiths.

Highlights

- ◆ Make your own silver contrarie ring - a design where one end sits on top of the other to symbolize duality and union;
- ◆ You will learn the different steps involved in making jewelry and the creative techniques of Jesi goldsmith art;
- ◆ Visit the Jewelry Museum and the Gold Museum where the city's goldsmith history is presented through historic documents and ancient jewels from the year 500 to the present day;
- ◆ Each participant will leave with a precious ring of their own design which they can wear as a memory of the experience.

Benefits

- ◆ Strengthen company and team values;
- ◆ Share unique traits with colleagues and explore ways for the team to benefit from them;
- ◆ Embrace the idea of the team as a jewel: it's priceless.

MASTERMIND OUTDOOR - PAINTBALL SAN MARINO

OUTDOOR &
ADVENTURES

Everyone will find this outdoor paintball challenge both testing and exciting. A single false step could have repercussions for the whole team.

Highlights

- ◆ Paintball is an exciting game where, divided into teams, you have to take out your adversaries by hitting them with small paintballs, shot from an air gun;
- ◆ The paintball arena has a post-nuclear feel to it, made up of shelters, colonnades and a mixture of greenery and cement;
- ◆ You will have an adrenaline-fueled, fun and unique experience.

Benefits

- ◆ Fine-tune astuteness and strategic ability;
- ◆ Improve team bonding, providing individuals with an opportunity to develop their own cognitive potential, contributing to team logistics;
- ◆ Implementing efficient communication, risk-taking, self-sacrifice for the team, proactive decision-making and anticipating the adversaries' moves.

SMOOTH OIL...FROM OLIVES TO GREEN GOLD

FOOD & WINE

A unique experience searching for the secrets of “liquid gold”. An immersive stroll through charming olive groves, followed by a fun olive harvest, you’ll learn how much passion is required in this line of work. An opportunity to completely immerse yourself in an authentic and traditional San Marino experience.

Highlights

- ◆ Finding out about the methods and rituals associated with harvesting and pressing olives;
- ◆ Visiting the olive grove and participating in harvesting the olives;
- ◆ Learning the production processes, techniques for producing oil, and traditional oil-marinating methods.

Benefits

- ◆ Value individual and group environmental responsibility;
- ◆ Develop the ability to manage criticism;
- ◆ Encourage team work through physical labor.

TRUFFLE HUNTING

FOOD & WINE

A trip to find the most precious edible fungus and its unique flavor. Expert foragers will guide you through the pristine forests of Acqualagna to learn the king of the undergrowth's secrets.

Highlights

- ◆ Truffle hunting and picking techniques will be shared with you by expert guides who will accompany you along with their faithful four-legged friends;
- ◆ Whilst you're hunting, you will learn everything there is to know about Acqualagna's different types of truffles, about their natural habitat and the symbiotic relationship between truffles and the forest;
- ◆ A truffle tasting session, paired with studiously researched, prestigious wines from the Marche will complete the experience.

Benefits

- ◆ Draw upon group dynamics and work together for a common goal;
- ◆ Enhance relationships between colleagues;
- ◆ Transform the burden of responsibility into the joy of sharing good food.

THE ARTISAN PAPER MAKER

Delving into the past through the art of the Fabriano artesanal paper makers, one of the few places in the world where paper is still made by hand.

Highlights

- ◆ You will be introduced to the handicraft of paper making, learning about production methods, with different workshop phases using ancient machinery and tools;
- ◆ You will learn paper making techniques;
- ◆ You will be shown the different creative uses for paper.

Benefits

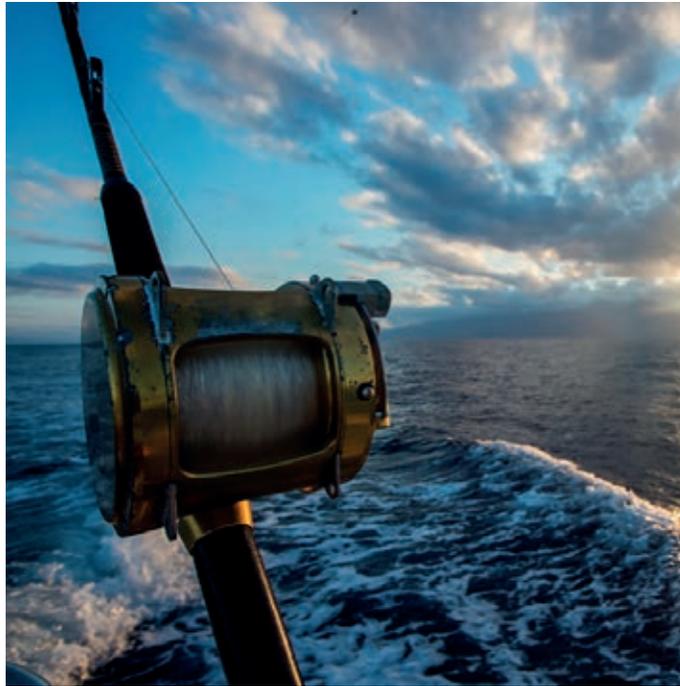

- ◆ Develop creative skills;
- ◆ Generate new ideas;
- ◆ Develop life skills (inter-personal relationships, efficient communication, problem-solving, applying creativity to culturally relevant subjects).

DEEP-SEA FISHING

OUTDOOR &
ADVENTURES

Off-shore fishing, better known as deep-sea fishing, has always been one of the most fascinating disciplines amongst anglers. Let yourself be seduced by the idea of casting lures in the middle of the Adriatic Sea and challenge each other to an exciting fishing battle.

Highlights

- ◆ Discover the Adriatic Riviera from beautiful boats adapted for beginner and expert anglers;
- ◆ Using artificial or natural bait, you'll get stuck into a fishing challenge for typical Adriatic Sea fish, from small fish under 10kg to big red tuna;
- ◆ Expert anglers will welcome you on board, sharing their secrets about fishing in the Adriatic Sea.

Benefits

- ◆ Apply colleagues' in-depth knowledge;
- ◆ Create a trusting and appreciative environment;
- ◆ Develop listening, empathy, motivational, relationship and team work skills.

YOUR MIND IS AN ARROW

OUTDOOR &
ADVENTURES

Instinctive shooting is an archery technique and philosophy: it is the instinctive human ability to unleash personal emotions to hit a target with an arrow, using instinct alone. It's an opportunity to put yourself to the test and take part in a fun challenge with certified instructors at hand.

Highlights

- ◆ You will be greeted at the archery hut with a delicious little snack with welcome drinks;
- ◆ You will learn about instinctive archery and the equipment required;
- ◆ Divided into teams, you will compete with real competition targets;
- ◆ The day will end with a prizegiving and a souvenir for all participants.

Benefits

- ◆ Develop concentration and self-control skills;
- ◆ Increase responsibility and attention span;
- ◆ Improve assertiveness and mental and physical presence.

HOMEMADE SFOGLIA COOKERY CLASS

FOOD & WINE

Have fun with your work colleagues preparing homemade pasta sheets and tasty local products. Guided by expert chefs, or “Romagna Grandmothers”, you will have all the ingredients you need to create your menu before sampling your creations together.

Highlights

- ◆ You will watch piadina (thin flatbread) preparation techniques as part of the cooking show by the “sfogline” or chefs from the Romagna region;
- ◆ You will learn different preparation techniques for the many varieties of pasta you can make with the sfoglia, through stories and fun explanations from the “sfogline” or chefs;
- ◆ Guided through the different steps, you will cook up your own recipe before ending with a big tasting session to savor all the dishes.

Benefits

- ◆ Develop creativity and coordination skills;
- ◆ Build time and resource management techniques;
- ◆ Encourage sharing, teamwork and act as an ice breaker.

MEDIEVAL... IT'S ANOTHER STORY

ART &
CULTURE

An introductory workshop held by an historic San Marino army company where you can relive the fascinating Medieval era. You will be catapulted back in time, immersed in traditions and customs, clothing, arms and historic trades of that time.

Highlights

- ◆ You will attend a reconstruction of traditions and customs from the fascinating Middle Ages;
- ◆ You will learn combat techniques and trades from the era;
- ◆ The day will end with captivating minstrel music, singing and dancing for everyone.

Benefits

- ◆ Help to unite the team;
- ◆ Share knowledge and skills with colleagues;
- ◆ Value human resources.

ICE CREAM MASTERCLASS

FOOD & WINE

A magical experience at the famous Gelato University. Divided into teams, you will compete with each other to make the best ice cream flavor. In this challenge, the jury will be considering presentation, creativity, product quality and flavor combinations. Then to finish, there will of course be a big ice cream tasting session.

Highlights

- ◆ Master ice cream makers will teach you about the history of ice cream and the best production techniques;
- ◆ You will learn how the different machines work and you will be shown all the different ingredients available for the team challenge;
- ◆ At the end of the challenge, the jury will award the winning team before everyone enjoys the delights of ice cream tasting.

Benefits

- ◆ Develop decision-making and organization skills during the activity;
- ◆ Fine-tune time and resource management skills;
- ◆ Team work and ice breaker.

TAGLIATELLE, PIADINA & CASSONI COOKERY CLASS – FARMHOUSE

FOOD & WINE

Have fun with your work colleagues preparing homemade pasta and tasty local products. Guided by expert chefs, or “Romagna Grandmothers”, you will have all the ingredients you need to cook up your menu.

Highlights

- ◆ The cooking show by the “Romagna Grandmothers” or chefs will show you how to prepare typical Romagna recipes;
- ◆ Stories and explanations from the experts will teach you different preparation techniques;
- ◆ Guided through the different steps, you will make your own recipe before ending with a big tasting session to savor all the dishes.

Benefits

- ◆ Develop creativity and coordination skills;
- ◆ Build time and resource management skills;
- ◆ Encourage sharing, teamwork and act as an ice breaker.

TREKKING ON MONTE SAN BARTOLO

OUTDOOR &
ADVENTURES

Trekking means “walking slowly” or “going for a long journey”: you and your team will journey towards a specific objective.

Highlights

- ◆ With fantastic views and pristine surroundings, you will be absorbed by the fragrant broom plants, the deep blue of the sea and the waterfalls, as you pass along small paths through little forests;
- ◆ As well as the many fantastic sea-facing viewpoints, you will discover rarely frequented and sometimes arduous paths that you wouldn't expect to find in such a location.

Benefits

- ◆ Build trust between colleagues;
- ◆ Improve team building skills;
- ◆ Reinforce team spirit and character, working in harmony with nature;
- ◆ Share the struggle to arrive at the final destination.

TRUFFLE HUNT

FOOD & WINE

Surrounded by nature in the fresh air of the forest, you will compete to find the most truffles, guided by a truffle expert and his loyal dog. This will be followed by an exclusive tasting session with the King of the Forest at the fore: the truffle.

Highlights

- ◆ Get to know the different types of truffle, their seasons and techniques for recognizing their quality through their shape, smell and skin;
- ◆ Accompanied by an expert truffle hunter and his dog, you will venture into the forest, along the way discovering the types of trees and terrain which are best for finding these famous tubers;
- ◆ To finish, you will enjoy truffle tasting, paired with different local products.

Benefits

- ◆ Develop navigation and communication skills;
- ◆ Team work and ice breaker.

JOURNEY TO THE CENTER OF THE EARTH, THE FRASASSI CAVES

OUTDOOR &
ADVENTURES

An unforgettable journey awaits you in the fascinating underground world of one of Europe's largest cave systems.

Highlights

- ◆ You will have the opportunity to try your hand at caving, marveling at some of the cave's most hidden gems. Equipped with overalls, a helmet and a headlamp, you will be safe in the company of two expert caving guides;
- ◆ It will be an exciting adventure into the world of caving, going deep into parts of the cave which are completely devoid of walkways and artificial lighting.

Benefits

- ◆ Build a spirit of adventure and put it into practice;
- ◆ Enhance individual and team skills;
- ◆ Improve awareness through engaging situations.

SFOGLINA, COOKING TRADITIONAL HOMEMADE PASTA SHEETS

FOOD & WINE

A real art. So much pasta is bound to bring the table to life. Venture back in time to explore past folklore, and cast your mind back to memories like the smell of your mother's or grandmother's handmade dough wafting from the kitchen.

Highlights

- ◆ You will meet the traditional traveling "sfoglina": if anyone knows how to make sfoglie (handmade pasta sheets), it's this lady;
- ◆ You will learn how to make traditional handmade egg pasta. No machines, just the table and rolling pin to help;
- ◆ At the end there will be an unmissable tasting session where you can sample everyone's cooking, blending a little competition with the joy of eating together.

Benefits

- ◆ Excite your senses, break down prejudices or anxiety amongst colleagues;
- ◆ Reinforce team spirit and collaboration.
